

INTRODUCTION

Hi there! I'm Boikanyo and I love coding. I am a believer in life-long learning and as such I am always looking for opportunities to up-skill myself. In pursuit to better myself I have been part of MongoDB University, Google Africa Scholarship. I am currently learning to ask questions that make me look stupid but understand more.

PROFESSIONAL SKILLS

HTML5 & CSS3
JavaScript
MongoDB
NodeJs
PHP
Git
Github
Slack & Trello
Agile

MY INTERESTS

Creating Apps
Web Design (learning)
PC Gaming
Watching series
